

The dispersed East

In our time, Arabs have begun to quote everything from the West. They even forgot their customs and traditions and what their ancestors raised them on

Under the pretext that they want to develop. Why all this ignorance?

Improve their condition. Unlike the West

In the past, before Eastern civilization mixed or came into contact with Western civilization, the Arabs were in a

Pleasures such as wine and women are given to tough men in the Arab countries, while Western society develops at the expense of the Arabs.

The Arabs began to decline since the beginning of the Renaissance era or (the new pre-Islamic era), due to their lack of adherence to their traditions, beliefs, and...

Their religion, the religion of Islam. In addition to the traitorous kings, princes, and heads of state who dealt and cooperated with the West, the infidels, and

The Jews, instead of cooperating with each other to conquer the world, raise the banner of truth and justice, and create a unified Islamic state on the surface

The entire earth, eliminating Western civilization, and spreading Eastern civilization and the Islamic religion.

The West has successfully succeeded in dividing the Arabs and dispersing them in all parts of the earth, while it develops and reaches beyond the globe.

Earth and even outside the solar system. What if our precious countries and our holy and blessed lands came together, and the peoples united?

Is discrimination between nationalities over?
